

Governor's Emergency Order for Health Care Facilities on September 1, 2020

Florida Governor Ron DeSantis modified his Emergency Order of March 14, 2020. On site Beauty Salons can resume services and family and friends can visit by appointment. Although, in some ways his new guidelines are even more stringent. Each facility must have fourteen (14) days with no new facility cases, Residents or Staff. When a new positive case occurs Beauty Salon services will cease and visitations will not be allowed. We now anticipate a further modification with less stringent guidelines coming in the next couple of weeks.

Tune in to channel 732 on Tuesday, September 15, at 7:00 p.m. to see *Saving Claire*.

This ground-breaking documentary tells the story of Linda Goldman, a woman who at the age of 70, created a theater company for senior adults. This documentary is 1 hour and 30 minutes long and will replay on Thursday, September 17, at 11:30 a.m.

Vote Pinellas

Resident, Barbara R. will answer questions about voting as well as register anyone who wants to vote in the Hobby Room on the 3rd Wednesday of each month from 11:00 a.m. to 12:00 noon starting on Wednesday, September 16. Please wear a mask and practice social distancing. Please bring hand sanitizer if you have it.

Are you a registered voter? Did you recently move? Do you need to change your address your party, your name? If you are not a registered voter or haven't voted in a long time you may want to register. You must be a U.S. citizen, and a Florida resident.

Would you like to vote by mail? Now is a good time to vote by mail. Vote-by-mail refers to: voting via ballot received by mail; or picked up by (or for) a voter—instead of going to the polls to vote during early voting period or Election Day. Except on Election Day, no excuse is needed to vote using a vote-by-mail ballot. Unless otherwise specified, a request to receive a vote-by-mail ballot covers all elections through the end of the calendar year for the second ensuing regularly scheduled general election. A vote-by-mail ballot that is returned undeliverable cancels a request for future elections and must be renewed. Come see Barbara on the 16th if you would like a form to request a vote-by-mail ballot or contact her at ext. 8423.

September is *National Fall Prevention Month* and falls are one of the most preventable injuries seniors face. Simple changes make huge differences in being safe from falls. Each and everything you do from simple to complex makes life safer and will reduce your chance of having a life-changing fall.

On Wednesday, September 30, at 2:00 p.m. in the Chapel, we will show a video called *Denying Gravity* which is educational and entertaining and put on by *SAGES Theater Inc.*, (Senior Actors Guild and Education Services), *Pinellas Regional 911/Emergency Medical Services (EMS)* and *Pinellas Community Foundation Senior Citizens Services (SCS)*.

This is a 1 hour insightful performance that tells the story of fall prevention from one very independent senior's point of view! You will be asked to sign-in upon entry to the Chapel, fill out a survey at the end of the program, and return the survey to Ellen Wade as soon as possible. This video is comparable to "Saving Claire".

Please be advised when you are attending any activity in the Chapel the pews are marked with social distancing decals in the pews to designate where to sit.
