

Dear St. Mark Village Family,

We hope this letter finds you in good health and spirits.

We are thrilled to introduced ourselves as the new on-site primary care medical group!

We are committed to enhancing the overall well-being of your community members, by providing preventive care, seamless care coordination, medication management, and a host of other services.

Our physician, nurse, and support staff are dedicated to serving you to improve overall health, happiness, and dignity. Our care team work cohesively to develop personalized care plans for each resident, ensuring that your health goals and preferences are taken into account.

As we embark on this journey together, we invite you to get to know our medical care team better. We will be hosting a series of community events and meet-ups to introduce you to our team and services.

Thank you for giving us the opportunity to serve you, it is our greatest honor. We are excited to be a part of your lives and look forward to establishing a strong, caring, and lasting relationship with every one of you.
